Dear Frida,

I would like to formally invite you to visit and observe our upcoming General Election on November 5, 2024. You, and any colleagues you would like to bring with you, would be able to observe all aspects of the election process. This would include voter registration, poll worker training, election equipment testing and deployment, mail ballot processing, early voting, election day voting, vote tabulation, and ballot auditing. This list isn't exhaustive, but it should give you a pretty good idea of the types of things you would see during your time here. Overall, it is my goal for your time in St. Louis to be worthwhile and enlightening.

Sincerely,

A handwritten signature in blue ink, appearing to read "Eric Fey".
